## HOW FAR DO YOU GO?

How far is too far when helping library patrons?  
How do you deal with overly needy patrons?  
How do you cope with problem patrons?  
How much, if any, advice should you give?  
How can patrons get additional help?  
Are there organizations in your community with which you can develop partnerships?

These sessions will be especially beneficial to ‘front line staff’. Please make every effort to include staff members who work in that capacity.

*Note: If you are a member of a hosting co-op, the Round Table is part of your regular meeting and you do not have to pay the registration fee. However, please submit the registration form so that we may have an accurate head count.*
