

About READS...

The Reference and Adult Services Section (READS) is a professional sounding board and advocate for matters relating to reference and adult services. READS provides informational and educational opportunities relevant to work in circulation, technical and interlibrary loan services, reference, readers' advisory, collection development and programming. READS uses formal discussions, workshops and other informal formats to educate, empower and provide opportunities for collaboration collaborate with the entire New Hampshire library community.

Cultivating Tech-Savvy Library Staff

BYOD (Bring Your Own Device)

and learn how to help your patrons with theirs!

Round Tables 2014

READS is pleased to announce the participation of our subject experts:

● **Bobbi Slossar**

NHSL Technology Librarian

● **Steve Butzel**

NHLA Information and Technology Section

Cultivating Tech-Savvy Library Staff

- Do you dread the release of the next-level tablet, e-reader or other device?
- Do you think you can never keep up with all the new technology?
- Is your staff worried about helping patrons with their gadgets?

With solutions for large, medium and small libraries, find out how you and your staff can be more comfortable while helping patrons with their ever-evolving devices. We will explore:

- Strategies for "patron management"
- Resources
- Discussion of what standard of expertise is desirable in libraries of all sizes and budgets.
- And a "Petting Zoo" of some of the latest and greatest devices.

Registration Information
